

Common words memory game

matching words

Your child will be learning to identify common words at school. Here is a fun way to practise some of these words.

1. Cut out these cards.
2. Place cards face down on the desk in a grid-like arrangement.
3. Flip a card. Say the word.
4. Flip another card. If the two words match, keep the cards.
5. If the words do not match, place the cards face down again in the same position and repeat the process.
6. The winner is the person with the most cards.

Target words – Set 1: I a am is to the

Helpful hints:

- Words do not have to be practised in this order.
- Store the cards in a plastic bag or envelope to use again at a later time.
- These cards will last longer if they are laminated.

Parents: Make sight word cards for words your child is learning in class.

1. Write six words you would like your child to practise on these cards, writing each word on two cards.
2. Play the memory game following the instructions on pages 1 to 4.

A large grid of 6 rows and 6 columns for writing words. A scissors icon is in the top-left corner, indicating where to cut out the cards. The grid is formed by dashed lines.

Helpful hints:

- Store the cards in a plastic bag or envelope to use again at a later time.
- These cards will last longer if they are laminated.
