

Shapes

creating shape pictures

Children will be using shape blocks and paper shapes to make pictures at school. This helps them to become more aware of the features of shapes and their use in the environment.

Use these coloured shapes to make your own pictures.

Parents: please cut out these shapes for your child.

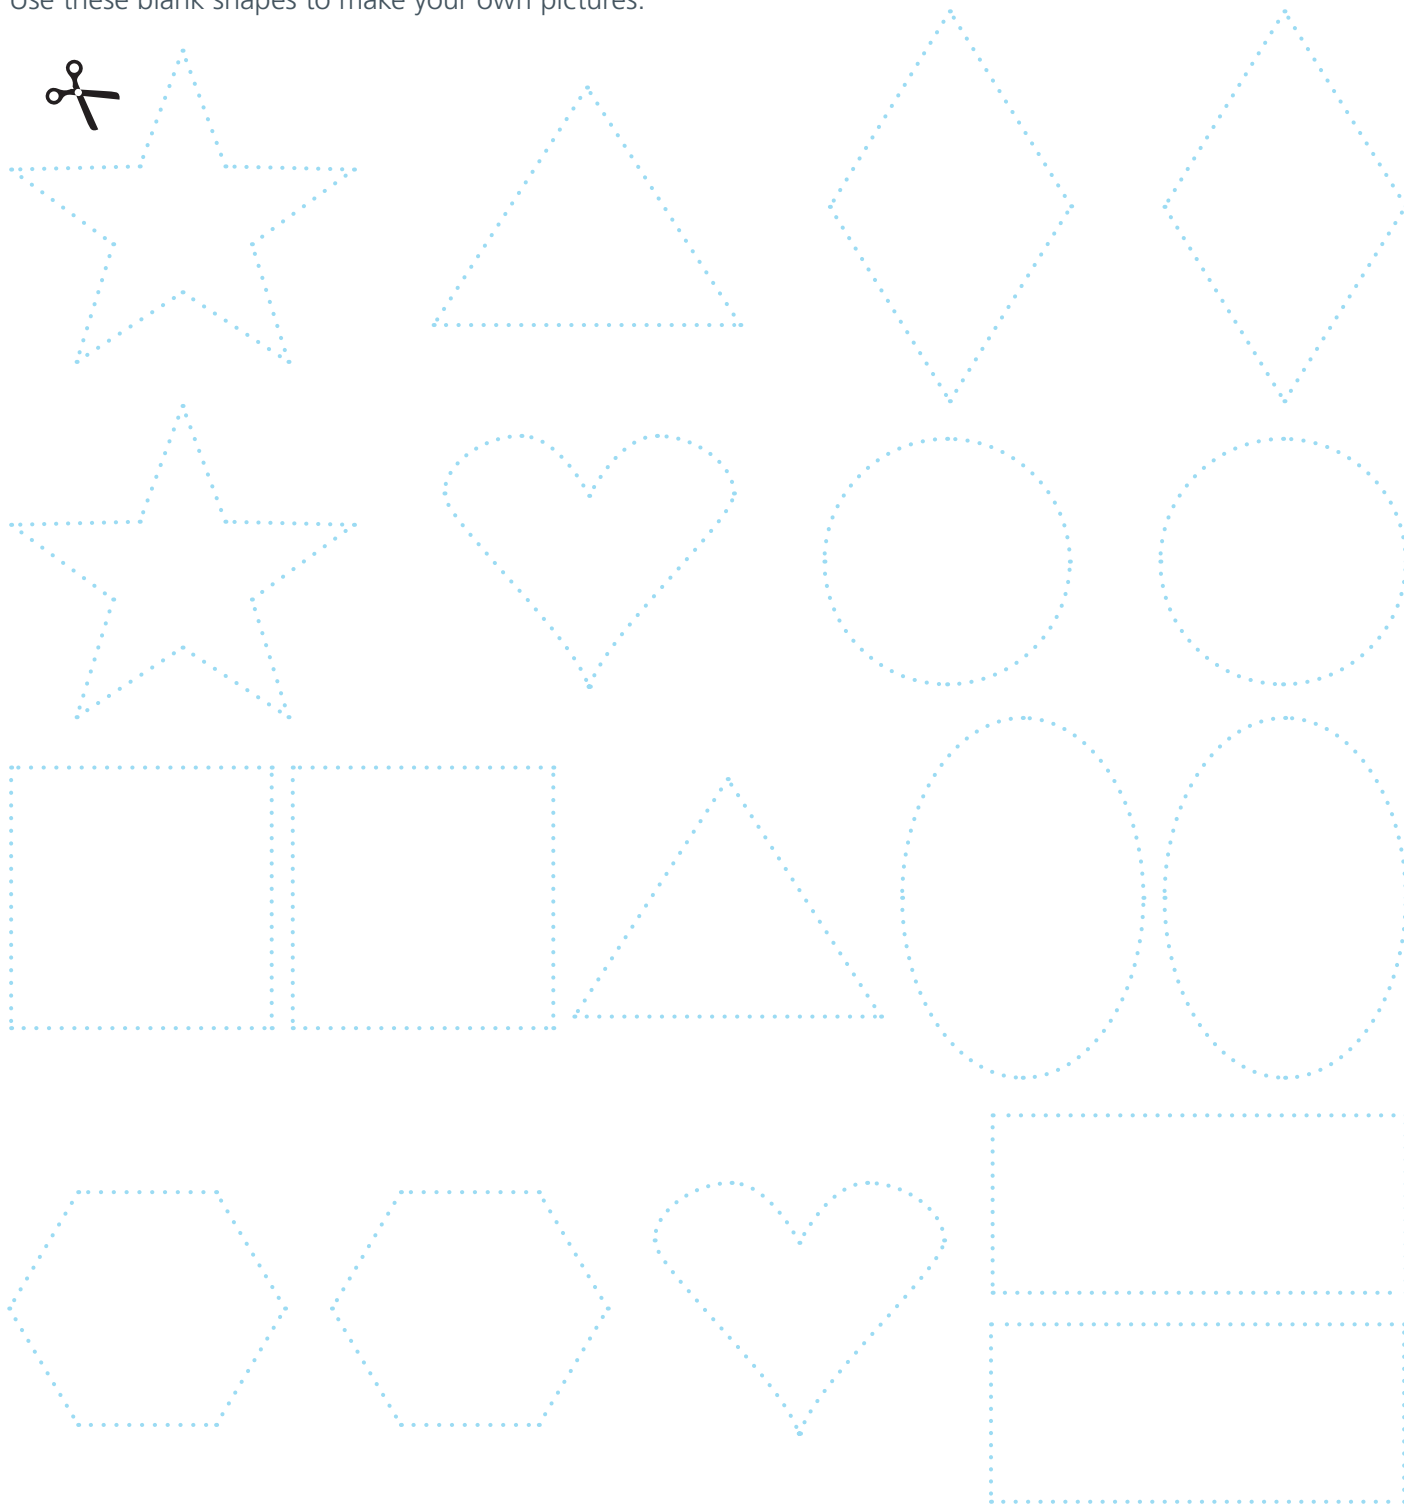

Shapes

creating shape pictures

Children will be using shape blocks and paper shapes to make pictures at school. This helps them to become more aware of the features of shapes and their use in the environment.

Use these blank shapes to make your own pictures.

Parents: please cut out these shapes for your child.
