

Making rows 1–10

Children learn to make collections and match these to numbers to 10 early in Kindergarten.

Cut out these smiley face cards and put the correct number of cards above each number on the grid on the following pages.

Put the cards in a plastic bag or envelope to use again next time. Remember to praise all efforts and to help your child as required.

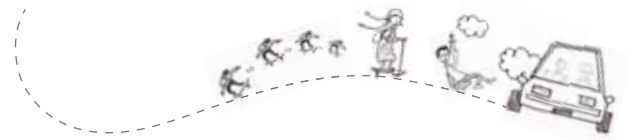

Making rows 1 to 10

Put the correct number of smiley face cards above each number. See example at bottom of page.

1 2 3 4 5 6 7 8 9 10
